LOW PROFILE BUNGE LOOP

Strong & Secured
Fastening Solutions
by Paskal

Lines of creative solutions

Product advantages

- Strong holding force
- Unique flat aerodynamic profile
- Very simple to install – No special tools required
- Excellent quality shock cord with stainless steel stoppers
- Available in several shock cord lengths

# Assembling Instructions

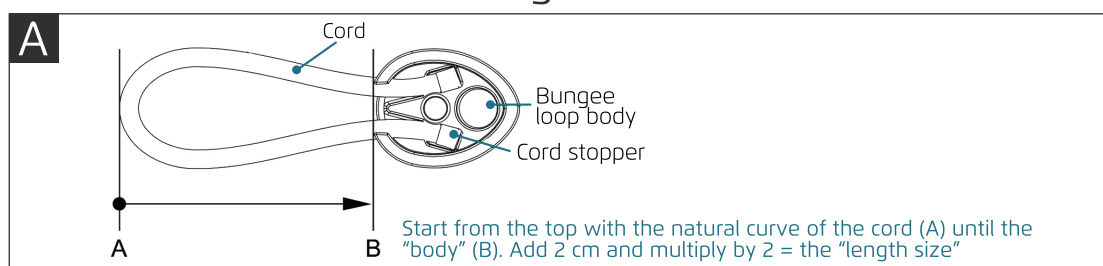

## 1. Bungee loop assembly

## 2. How is the bungee-loop connected to the knob?

## 3. How to measure the length?

### Bungee Cord Data Sheet

#### Raw Material

|                     |                        |
|---------------------|------------------------|
| Plastic Parts       | Nylon 66 + Glass Fiber |
| Bungee Cord Cover   | Polypropylene          |
| Bungee Cord Stopper | Stainless Steel        |

#### Physical Dimensions

| Body        | Body Cap Hole Diameter (for the fabric) |                          | Body Weight            | Cap Weight            |
|-------------|-----------------------------------------|--------------------------|------------------------|-----------------------|
|             | 7.0mm/0.27"                             |                          | 4.75gr/0.01lb/0.17oz   | 1.48gr/0.003lb/0.05oz |
| Knob        | Knob Hole Diameter (for screw)          |                          | Knob + Cap Weight      |                       |
|             | 6.0mm/0.23"                             |                          | 1.75gr/0.0038lb/0.06oz |                       |
| Bungee Cord | Diameter                                | Bungee Cord Spring Force |                        |                       |
|             | 5mm                                     | (Out of Body)            | Elasticity Factor      |                       |
|             |                                         | 26.88 kg/59lb            | K = 4.3                |                       |

|              |                  |
|--------------|------------------|
| UV Stabilize | 2 years warranty |
|--------------|------------------|

#### Special

|              |                     |
|--------------|---------------------|
| Color        | Black & White       |
| Other Colors | For Min. 5,000 sets |
